MEMORANDUM

TO: Webmaster

FROM: Annette Fettig, TRP Webmaster

DATE: March 23, 2011

SUBJECT: Request a link to ADOA's Air Quality Forecast Page

Please insert a link from your agency's home page to our Air Quality Forecast page. All agency webmasters are being asked to link to this page to allow easy access to a weekly forecast of ozone and particulate matter activity. A summer campaign will promote ozone awareness and encourage reducing travel when ozone pollution approaches unhealthy levels.

Please insert the Air Quality Forecast (AQF) button on your home page and link it to the AQF page.

- The AQF button may be downloaded at <http://capitolrideshare.com/buttons.htm>. You will have your choice of two buttons, one with and one without mouseover actions. Directions and html script are provided.
- The AQF button you choose must be linked to: <http://www.capitolrideshare.com/aqforcasts.htm>

Please call me with any questions at 542-3634. Thank you for your assistance.
