

Think Pink **ONLINE** 2011

The Annual Travel Reduction Survey!

It's time for the annual Travel Reduction Survey!

Remember - the pink survey is online!

Capitol Rideshare is required, by law, every year, to survey employees on the way they get to work.

The survey tells us how State employees are getting to work. It tells if our bus system accommodates you; if our Rideshare program is incentive enough; it tells how far we've come and how much more is left to do. It tells how you are making a difference!

**WATCH FOR YOUR SURVEY LINK TO
ARRIVE IN YOUR EMAIL BOX!**

It only takes a minute to complete and it makes a world of difference!
